

2023 NSLHA Fall Convention Sponsorship Opportunities

The Annual Convention of the Nebraska Speech Language Hearing Association on September 21-22, 2023, brings together audiologists, speech-language pathologists and students who are looking for the best products and services available.

Sponsorships help enhance the visibility and recognition of your company while supporting the speech-language-hearing profession. With your support we provide education, information and services to your customers. Different sponsorship opportunities offer you the ability to choose the level of support that best fits your budget and business objectives.

Help by sponsoring lunch, breaks and Additional Marketing Items. All Sponsorships are acknowledged with signs and announcements at the event, in the convention program and on the association website. Companies sponsoring \$1,000 or over may place marketing materials for free in the convention folders.

– You may sponsor all or a portion of the breaks or lunch, with a minimum sponsorship of \$500 –
