Exhibits

You are invited to the 2025 Convention of the Nebraska Speech-Language-Hearing Association. The convention brings together audiologists, speech-language pathologists, and students who are looking for the best products and services available for their schools, hospitals, universities, and private practices. You can also use this event to promote employment opportunities at your company or organization.

By sponsoring or exhibiting at this two-day event, your company or organization gains valuable visibility and recognition while supporting the speech-language-hearing professions. Your support enables the Nebraska Speech-Language-Hearing Association to provide essential education, resources, and services to your clients and potential future employees.

Different sponsorship opportunities offer you the ability to choose the level of support that best fits your budget and business objectives. Sponsors and exhibitors are recognized on the convention web page, convention program, and through announcements and signs at the convention.

Exhibits will be set-up in the lobby area on Thursday, October 9, 2025. This gives you access to the audiologists, speech-language pathologists, and students in attendance.
